4) How would you rate the communication at St. Mary's Pre-School?

Good x 3
Very good x 6
Good – Tapestry updates are fab and facebook posts on what they've been up to
Good – the Tapestry photos have been brilliant and great to see what N has been doing
Good – face to face, sometimes Tapestry notifications take a long while to come through
Pretty good
Good but not much time to talk at the end/beginning of the day

(We always check the Tapestry observations before we make them live to ensure that we have linked them to the correct child and photos are according to the permissions you have given us. Those who are slower among us (mostly Karen IT) will make an effort to do it more often!)

5) Write any other comments below.

We are very happy with N's progression
Very happy all round
Thank you for doing what you do!
Thank you for always being so caring

(...and thank you, parents, for your encouragement and working with us so helpfully and enthusiastically.)
